Residential on 0.00 Acres

Bennetts Creek Landing, Suffolk, VA

This is an invitation to experience waterfront living on the Nansemond River. The morning sun rises & paints the sky with beautiful colors of orange & red. The shoreline comes alive. Eagles, birds of prey, ducks, fish, dolphins, kayakers, & fishermen are all wasting no time enjoying the endless resources offered by this open body of water. Rain or shine there is never a dull moment, because as one sits & observes the marine life & weather unfold there is an overwhelming sense of peace & calmness brought by the changing tides. This house comes with some history. Previous owners include the owner of Planters Peanuts. Yes, we can talk facts like roof, HVAC and crawlspace, but the conversation is short. They are all working well. The real seller of this house is in the details. Our incredibly detailed craftsmanship, unique hardware, marble entry, & of course our waterfront lifestyle. For multigenerational buyers, the second floor offers over 1200 unfinished sqft.
